SPONGIOCHRYSIS (PAPERBACK)

Crypt Publishing, Mauritius, 2012. Paperback. Condition: New. Language: English . Brand New Book. In taxonomy, Spongiochrysis is a genus of algae, specifically of the Cladophoraceae. Chlorophyta is a division of green algae, informally called chlorophytes. The name is used in two very different senses so that care is needed to determine the use by a particular author. In older classification systems, it refers to a highly paraphyletic group of all the green algae within the green plants (Viridiplantae), and thus...
