THANK GOD POOR PEOPLE ARE STUPID (PAPERBACK)**DOWNLOAD**

Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The poor, for whatever reason, do not pursue their economic self-interest effectively. This sort of stupidity is ruining this once great country. In this brief book, a retired businessman reflects on his personal and corporate life. Though it is common to blame the rich and their greed for many of the current problems that the United States faces, the author blames the poor, and their inability to act intelligently in the economic realm, for our current woes. Whether this blame is fair or not, the book is sure to generate discussion.
