

When the Bluebonnets Come

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

(Prof. Loyce Runolfsson Jr.)

Bluebonnet Press, United States, 2007. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Author John J. Dwyer s Civil War-era historical novels Stonewall and Robert E. Lee have sold tens of thousands of copies. They have built for him a large following of readers appreciative of his poignant, gritty, often inspiring style. With When the Bluebonnets Come, Dwyer--a college history instructor--turns his focus to contemporary times. Bluebonnets tells the story of young Katie Shanahan, growing up in the heart of bluebonnet country near Cotton Patch, Texas, her life mainly about gentle animals, sweeping vistas of fragrant wildflowers, salt-of-the-earth people of the land, and a loving daddy who is a preacher and was a football hero. But what her father Ethan finds when he trails a rabid dog is the beginning of the end of life as Katie has known it. Soon, a parade of unwelcome visitors descend upon Cotton Patch--an increasingly ominous Family Entertainment Complex, a series of church burnings, and finally, division within the Shanahans own church and even their own home. As Katie watches her father stand up against forces far more powerful than himself, she begins to learn that courage, loyalty, and honor are more than words--and they sometimes come with a high price.
