HarperCollins Publishers Inc, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book. A witty and winning new voice comes alive in this infectious road-trip adventure with a rock-and-roll twist. Shapiro s debut blends the emotional nuance of Elena Ferrante with the potent nostalgia of High Fidelity, in a story of two women-one rich and alluring, the other just another planet in her dazzling orbit-and their fervid and troubled friendship.From the distance of a few yards, there might be nothing distinctive about Lee Parrish, nothing you could put your finger on, and yet, if she were to walk into a room, you would notice her. And if you were with her, I d always thought, you could walk into any room.For quiet, cautious, and restless college freshman Vivian Feld, real life begins the day she moves in with the enigmatic Lee Parrish-daughter of died-too-young troubadour Jesse Parrish and model-turned-fashion designer Linda West-and her audiophile roommate Andy Elliott.When a one-night stand fractures Lee and Andy s intimate rapport, Lee turns to Viv, inviting her into her glamorous fly-by-night world: an intoxicating mix of Hollywood directors, ambitious artists, and first-class everything. It is the beginning of a friendship that will inexorably shape both women as they embark on the rocky road to adulthood.More than a decade later, Viv is married to Andy and hasn t heard from Lee in three years. Suddenly Lee reappears, begging for a favor: she wants Viv to help her find the lost album Jesse was recording before his death. Holding on to a life-altering secret and ambivalent about her path, Viv allows herself to be pulled into Lee s world once again. But the chance to rekindle the magic and mystery of their youth might come with a painful lesson: while the sun dazzles us...
