Mometrix Media LLC. Paperback. Condition: New. 144 pages. Dimensions: 10.9in. x 8.1in. x 0.4in. 2 COMPASS Exam Practice Tests are the simplest way to prepare for the COMPASS test. Practice is an essential part of preparing for a test and improving a test takers chance of success. The best way to practice taking a test is by going through lots of practice test questions. If someone has never taken a practice test, then they are unprepared for the types of questions and answer choices that they will encounter on the official test. There is a tremendous advantage to someone taking the test that is already familiar with the questions and answer choices. Another advantage of taking practice tests is that you can assess your performance and see if you need to study and practice more, or if youre already prepared enough to achieve success on your test day. If you do well on the practice test, then you know youre prepared. If you struggle on the practice test, then you know you may still have more work to do to get prepared. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our 2 COMPASS Exam Practice Tests give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed (and more importantly why you missed...
