Alphascript Publishing. Taschenbuch. Condition: Neu. Neuware - Antestor is a Christian extreme metal band formed in 1990 in Jessheim, Norway. The group is credited for starting the whole northern European Christian extreme metal scene with their 1991 demo The Defeat of Satan, according to the liner notes of the writer Michael Bryzak on the band's compilation album of the same title. Antestor is the only Christian band to have an album released by Cacophonous Records, which has also released records by bands such as Dimmu Borgir, Sigh, and Cradle of Filth. In the 1990s, Antestor, together with Horde, were the only two Christian black metal groups who had a record deal with a secular label. The band's only release on Cacophonous, The Return of the Black Death, proved influential for the Christian black metal movement, and has sold over 10,000 copies. During that time, they dubbed their musical style as 'sorrow metal' rather than black metal because the black metal movement was publicly affiliated with Satanism in Norway. According to HM Magazine, the progressive elements on the debut album, Martyrium, were possibly ahead of their time in the Norwegian extreme metal scene. 100 pp. Englisch.
