Misprint (Paperback)

By James Womack

Carcanet Press Ltd, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. The only end of writing, Dr Johnson said, is to enable the readers better to enjoy life, or better to endure it. Misprint offers the reader countries and languages perceived through the eyes of youth and loss. Untimely deaths and memories of far-off lands abound, some dreamed, some lived. In this first collection, James Womack plays with ideas of tradition, lightly conjuring heavy themes, and makes a bow to pulp culture. He ferries us between Russia, Spain and North Korea and the differently real virtual environments of film, dream, ghosts, the North Korean Press Agency. Eurydice , the concluding sequence, draws the different strands of the collection together. We end up dislocated: bewildered but rather happier about the future. As Mr Edwards said to the Great Cham: I, too, Sir, in my time have tried being a philosopher; but somehow cheerfulness kept creeping in.

Reviews

Very beneficial for all type of folks. It can be rally intriguing through studying time. You will like how the writer publish this ebook.

-- **Nathan Cruickshank**

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
