The Ketty Jay has been fixed up good as new. They've got their first taste of fortune and fame. And, just for once, nobody is trying to kill them. Even Trinica Dracken, Frey's ex-fiancee and long-time nemesis, has given up her quest for revenge. In fact, she's offered them a job - one that will take them deep into the desert heart of Samarla, the land of their ancient enemies. To a place where the secrets of the past lie in wait for the unwary. Secrets that might very well cost Frey everything. Join the crew of the Ketty Jay on their greatest adventure yet: a story of mayhem and mischief, rooftop chases and death-defying races, murderous daemons, psychopathic golems and a particularly cranky cat. The first time was to clear his name. The second time was for money. This time, Frey's in a race against the clock for the ultimate prize: to save his own life.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
