Seven Stories Press,U.S., United States, 2013. Hardback. Book Condition: New. 142 x 142 mm. Language: English . Brand New Book. Reading it is almost like reading Howard Zinn s A People s History of the United States, but for two-year olds full of pictures and rhymes and a little cat to find on every page that will delight the curious toddler and parents alike. Occupy Wall Street A is for Activist is an ABC board book written and illustrated for the next generation of progressives: families who want their kids to grow up in a space that is unapologetic about activism, environmental justice, civil rights, LGBTQ rights, and everything else that activists believe in and fight for. The alliteration, rhyming, and vibrant illustrations make the book exciting for children, while the issues it brings up resonate with their parents values of community, equality, and justice. This engaging little book carries huge messages as it inspires hope for the future, and calls children to action while teaching them a love for books.
