Not illustrated. 1914 Excerpt: .responsibility in releasing the quarantined family, there is little or no chance for the careful practitioner to lose his practice to the unscrupulous doctor, who endeavors to earn a reputation by releasing patients from quarantine in quick time. In connection with this work on the part of Business Proceed-the district medical inspectors of the Health and Medical Assistants Department, certain forms are necessary. When a physician reports a case as terminated as far as he is concerned, the clerk of the Communicable Disease Division shall communicate this fact to the proper district medical inspector. The clerk shall telephone to the medical inspector at a certain appointed time every morning and notify him of the cases awaiting to be released, and also of the results of the release cultures sent in by him on the previous day. The inspector shall fill out a copy of Form 4, whenever a case is ready for release, and shall mail it to the department. When this is received, the disinfecter shall be notified by means of a disinfection notice to proceed with the disinfection and raise the quarantine. At the present time, the district medical inspector sends to the Chief of the Division of Communicable Disease a daily postal report of the work performed. It is recommended that Form 5 be used for the daily reports of medical assistants. The clerk shall make out from these reports a monthly report, Form 6, of the work done by the medical assistants. RECOMMENDATIONS...
