Thomas H. Ward, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I m the oldest of three brothers. We grew up fighting bullies and gang members in a tough neighborhood on the south side of Chicago. My Dad one of the most honest men I have known always stressed, tell the truth, and help each other. Never ever be a bully, never steal, and try to protect those who cannot protect themselves. I have always stood up for the people who could not defend themselves. I hate liars and bullies. I m Director of Security for Tocabaga Island. I live here along with 556 other Patriots. We are fighting to keep our freedom, keep our homes, and keep our families safe, from the evil forces gone wild. Tocabaga is a sanctuary. If you believe in the Constitution, the Bill of Rights, and are of good moral character you are welcome here. Jack Gunn exposes the secret agents and needs to activate the Androktones to combat the Quislings who are trying to take over Tocabaga. He does a Recon patrol with Willis and Hammer (a new Ranger) to locate the Army Rangers who went MIA. Along the way Jack finds three kids living on the streets in need of help. U.S. Marshals, working undercover, come to Tocabaga to arrest Jack for the murder of eight Federal Agents at Ellenton. Two of the Marshals manage to arrest Jack and escape while holding little Johnny Evans as a hostage. My name is Jack Gunn and these are my Chronicles.
