Gestalten Jan 2001, 2001. Taschenbuch. Book Condition: Neu. 244x226x22 mm. Neuware - Martin Woodtli's works stand out in the category of graphic design. Woodtli exhausts the manifold possibilities that computer technology, print techniques and colors offer. He unconventionally uses 3D-software to create dynamic, extremely detailed, constructed and colorful 3D-graphics. Combined with multilayered vector graphics/colors and presented isometrically, Woodtli's unique aesthetics and very own microcosm speak their own experimental and futuristic language. 192 pp. Deutsch.
