Brand New Book ***** Print on Demand *****.About the Author william marshe is an Island son of Cape Breton, on Canada s east coast. He spent his early years immersed in a vibrant culture of artists, writers, singers and thespians, where he wrote, directed, acted in and designed many productions. Like many of the youth of the economically challenged area of Sydney, he left his home as a young adult to seek gainful employment elsewhere and now resides in Toronto, Ontario, working as a millwork designer for luxury homes, locally and around the globe. He continues to write when every moment presents itself. salt/ /water is william s first collection of poetry. Ed Macdonald, author of Spat the Dummy and Atomic Storybook William Marshe s salt/ /water will not only resonate for the island born, his insights into modern life and love will speak to all lovers of excellent verse. Full of insight of how landscape is internal as well as external, how the swings in a children s park can conjure the forlornness...
