The Blind Musician

By Vladimir Korolenko

CreateSpace Independent Publishing Platform. Paperback. Condition: New. Edmund H. Garrett (illustrator). This item is printed on demand. 260 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. The light which scientific investigation has thrown upon the moral and intellectual development of persons deprived of sight invests this story with peculiar interest. The book is a psychological study in which the inner life of the blind is analyzed, with a view of their trials resulting from their lack of sight. The subjects for the study are a blind girl whom the author knew as a child; a boy, a pupil who was gradually losing his sight; and a professional musician, blind from his birth, of superior intellect, scholarship and refinement. Mr. Kennan says that Korolenko represents the most liberal, the most progressive, and the most sincerely patriotic type of Russian manhood. Stepniak remarks that the story shows Korolenko's talent in a new light; but the most valuable tribute to its truthfulness and power as a psychological study is furnished by Mr. Anagnos, Director of the Massachusetts School. The light which scientific investigation has thrown upon the moral and intellectual development of persons deprived of sight invests this story with peculiar interest. The book is...
