## WHAT IS HAPPENING TO ME? (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Often after a person has been a Christian for a while they begin to experience confusing or disorienting times. They may wonder, where is the joy, where is the excitement that I experienced at the first? They often feel that they are wandering in the woods looking for some of the old familiar signposts or markers. Things regarding their faith seem hazy or fog filled. Sincere Christians go through these repeatedly in their lives. In this book Dr. Keyser explains what these experiences are, why they happen to believers and what the believer can do to end them as soon as possible.
