Grace Theology Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Many Bible passages are difficult to understand, especially when it comes to the issues of eternal salvation and following Jesus Christ as a disciple. In Grace, Salvation, and Discipleship you will find how to approach over 130 difficult Bible passages. Beginning with a clear understanding of God's grace and using a unique paradigm of A Truth, B Truth, you will discover from the context whether the passage is about salvation or the Christian life. In this book Dr. Charles Bing will help you to answer the questions: Is becoming a Christian the same as becoming a disciple? Do I have to work to earn or keep my salvation? How many good works do I need to prove I am saved? Can I be absolutely certain I am going to heaven? How should I deal with doubts about my salvation? How does sin affect my relationship with God? How can I have a richer experience of God in this life and the next? A correct understanding of salvation and discipleship is crucial to understanding the Bible and growing in the Christian life. Only when we clearly understand what God says can we effectively share a clear gospel, be assured of our salvation, and grow in our relationship with Him. I have added it to my short list of recommended books on biblical difficulties. Norman L. Geisler, Ph.D.,
