iUniverse, Inc. Paperback. Book Condition: New. Paperback. 130 pages. Dimensions: 8.9in. x 5.9in. x 0.4in. Perhaps its Love, the original element, which gives this book its name, concerns four young adults that play a vital role to follow their hearts; sometimes without adequate preparation, or the appropriate equipment as a test of the will. This of course, nearly crushes each persons spirit. In one-way or another, each youth is linked to each other (ages between 18 and 21). The novel is primarily concerned with choices in love, in some cases a manifesto about its dangers. At the end it, it must be said, nothing was tolerable but the best. No one was without sin. Four youths 196768, while being in the process of growth get stirred up quite a lot, some even lost in the commotion of events, while feelings become nourished and intensified, all aching for love, in their own way. A lesson might well be learned if they can only harness their crying hearts; but first unhappiness has to be conquered (part of the theme and plot). The story has a shy-charm to it, a quick gaiety, and objective tenderness. It is dramatic; it has an exploring inner mind. Many parts of this book are based on actual events, transformed into historical fiction. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
