McGraw-Hill Education - Europe, United States, 2017. Hardback. Condition: New. 4th edition. Language: English . Brand New Book. Informed by second-language acquisition research and supported by cutting-edge digital tools, the complete Avanti! program creates a dynamic learning environment that fosters communication and motivates students to succeed. With Connect and LearnSmart, Avanti's learning platform gives instructors maximum flexibility to structure the learning experience inside and outside the classroom. Avanti! is known for its focus on the most critical language for communication, its active presentation of vocabulary and grammar, systematic review and recycling, and inclusion of real-world culture. With Avanti!, students not only learn Italian- they develop a deep appreciation for Italian culture. The Avanti! program is built around the following principles: Focused Approach / Flexible Content: Avanti! responds to instructors concerns that most programs attempt to cover too much material in the first year. Informed by second-language acquisition research, this introductory course reflects a reasonable expectation for the amount of material that most beginning learners can acquire in one year of classroom instruction. The Strutture sections include the core structures that are necessary for meaningful communication at the elementary level. Additional structures are either presented for recognition only or appear in Per saperne di piu with associated inductive presentations and activities in Connect, giving instructors maximum flexibility to teach the grammar they want to teach. The Connect platform includes an assignment builder feature that allows instructors to fully customize the course content to meet the needs of their particular students. Instructors may choose to assign all or some of the textbook and workbook activities as well as some or all of the grammar points presented in Per saperne di piu, based on their course goals and the course delivery method: face-to-face, hybrid, or online. A major highlight of the fourth edition...
