New Generation Publishing, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Barry Taylor spent the early years of his working life as a director of companies and charities in the City of London, including time as treasurer of the then London Marriage Guidance Council. Since 1985 he has worked with charities in Glastonbury, including Chalice Well Trust as treasurer, and the Glastonbury Trust as co-founder and chair. His experience with conventional and less conventional companies and charities gives him a useful base from which to compare their differences. In this book he looks at the management of successful spiritually influenced projects. Starting with an outline of contemporary spirituality and Glastonbury, it looks at the subtle differences found in the successful running of spiritually inspired projects and the problems experienced. This is based upon experience in Glastonbury, UK but is applicable wherever similar influences are to be found. This book contains useful ideas for anyone working with this type of project.
