

Raising Mankind's Standard: The Eurasian Land-Bridge: Executive Intelligence Review; Volume 44, Issue 19 (Paperback)

By Lyndon H Larouche Jr

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.May 6-The Soviet losses during World War II are unimaginable to most Americans, a staggering loss of some thirty million lives, not to mention the destruction of families, industry, land, culture, and infrastructure. Only the Chinese, who lost some twenty million during the fight with Japan, can possibly fathom the kind of sacrifice the Soviet peoples endured, such as the siege of Leningrad, before they prevailed. Such fortitude, such perseverance and courage, are a testament to the power of humanity against a force of evil dedicated to the destruction not only of human lives, but of mankind's unbounded future. It is this power of humanity, seen in the Soviet resistance and the eventual Allied victory that we celebrate today, and also in those individuals from every nation who bore that burden with dignity and an undying passion for the future of mankind. The collaboration between the three great powers: the U.S.A., the Soviet forces, and China, was key to the allied victory in World War II, and remains the cornerstone for a new world system today. President Franklin Roosevelt, who recognized...

Reviews

Very useful for all group of people. It is amongst the most incredible pdf i actually have read through. Its been written in an extremely straightforward way and it is just right after i finished reading through this pdf by which basically modified me, change the way i think.

-- Felicia Nikolaus

These sorts of ebook is the ideal book offered. It can be written in simple terms rather than confusing. I discovered this pdf from my dad and i advised this publication to understand.
