THE IMMORTALITY EDGE: REALIZE THE SECRETS OF YOUR TELOMERES FOR A LONGER, HEALTHIER LIFE

[DOWNLOAD](#)

Wiley. Paperback. Condition: New. 288 pages. Dimensions: 8.9in. x 6.0in. x 0.9in. NOW AVAILABLE IN PAPERBACK Based on Nobel Prizewinning genetic research-a simple plan to keep your telomeres healthy for better health and longevity Telomeres play an important role in protecting our chromosomes from critical damage. The shortening of the telomere disrupts vital cellular function and promotes the previously seemingly inevitable onset of aging and various diseases, including cancer and Alzheimers. Drawing from the groundbreaking discoveries about telomeres that won the 2009 Nobel Prize in Medicine, this book includes a highly prescriptive program that shows you how to live longer by slowing telomere shortening and rejuvenating your cells through relatively simple alterations in nutrition habits and other lifestyle changes. Written by authors with extensive knowledge of genetics, telomeres, and longevity Offers a simple action plan you can start using immediately Includes a revolutionary new eating plan Recommends individualized supplement programs Shares a diet and exercise approach grounded in solid scientific research The exciting recent discoveries about telomeres promise to revolutionize our approach to anti-aging much as antioxidants did ten years ago. Unlike trendy diet and fitness books with no basis in science, The Immortality Edge targets health at its innermost level by laying out a realistic, lifelong plan using easy steps that can fit into any busy schedule-steps that can improve the length and quality of your life. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
