Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Works of Shakespeare, Vol. 1 of 8: The Text Regulated by the Recently Discovered Folio of 1632, Containing Early Manuscript Emendations, With a History of the State, a Life of the Poet, and an Introd, to Each Play From the most able, to him that can but spell: there on are numbered. We had rather you were weighed. Especially, when the fate of all books depends upon your capacities; and not of your heads alone, but of your purses. Well, it is now public, and you will stand for your privileges, we know: to read, and censure. Do so, but buy it first. That doth best commend a book, the stationer says. Then, how odd soever your brains be. Or your wisdoms, make your licence the same, and spare not. Judge your sixpen orth, your shilling s worth, your five shillings worth at a time, or higher, so you rise to the just rates, and welcome. But, whatever you do, buy. Censure will not drive a trade, or make the jack go. And though you be a magistrate of wit, and sit on the stage at Blackfriars, or the Cock-pit. To arraign plays dail know, these plays have had their trial already, and stoody ut all appeals and do now come forth quitted rather by a decree of court, than any purchased letters of commendation.
