

## Clinical Veterinary Echography (Hardback)

By Federica Rossi, Giliola Spattini

5m Publishing, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. As imaging techniques become increasingly sophisticated in veterinary medicine, interpreting images becomes increasingly challenging. This practical manual, focused on small animals, provides a rich visual guide to using echography in clinical practice in a range of conditions, and covering body systems including: the peritoneal area, the liver and biliary tract, the spleen, the stomach, intestine, pancreas, male and female reproductive systems, the urinary tract and the chest. Authored by an international team of experts, the following topics are covered in depth: The physics-based principles of ultrasound science, interpretation of ultrasound images, scan techniques in ultrasound and interventional techniques in ultrasound. Clinical Veterinary Echography is an ideal resource for the veterinarian in general practice and the referral veterinary and also a useful guide for veterinary students and researchers.

### Reviews

*This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
