

## Firebirds

By Chuck Carlock

Bantam Doubleday Dell Publishing Group Inc, United States, 2000. Paperback. Book Condition: New. Reprint. 173 x 104 mm. Language: English . Brand New Book. Chuck Carlock volunteered to become a helicopter pilot in August 1966, convinced that by the time he finished training, the Vietnam War would be over. Little did he know that he would see some of the war's most intense action, including the Tet offensives. Carlock portrays countless dangers, from an elusive enemy and treacherous terrain to blinding weather, faulty equipment, and friendly fire. He rides the pendulum between fear and fearlessness during his many brushes with death. Along with the danger and tension, Carlock tells us about the camaraderie and humor shared by men who lived on the edge. Carlock's stories will sometimes shock you, sometimes bring a smile to your face, and sometimes make you angry. Learn about "secret" missions into a neutral country. Discover how the Walker spy ring cost American lives. Most of all, find out what it was like for a twenty-one-year-old farm boy to find himself suddenly immersed in vicious daily combat, making decisions that determined the fate of hundreds of lives.

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

**-- Ally Reichel**

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
