**BECOMING CHINA S BITCH: AND NINE MORE CATASTROPHES WE MUST AVOID RIGHT NOW****DOWNLOAD**

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. A manifesto for the radical center. America is frozen. We have failed to face our nation s most crucial challenges--and we are about to pay the price. When it comes to solving our country s problems, we have become utterly paralyzed: partisanship has lulled us into a deadlock, preventing us from taking action. Yet we can no longer ignore the inevitable catastrophes or hand them off to Washington to fix--they must be addressed now, or we will suffer the long-term consequences. In the New York Times best seller *Becoming China s Bitch*, Peter Kiernan presents an unflinching manifesto in which he explores five factors that have sustained our national paralysis, then uncovers the 10 challenges that pose the greatest threat to the future of America. Presented from a fresh yet informative centrist perspective, these 10 impending catastrophes include our semi-conscious dependency on China, our lack of a centrally coordinated intelligence effort, our downward-spiraling health-care system, and the continually expanding problem of illegal immigration. In a logical, personal, and persuasive voice, Kiernan offers radical yet common-sense solutions to these challenges--solutions that every American must acknowledge and act upon before it s too late. With provocative insight and analytical depth, *Becoming China s Bitch* is the answer to securing our country s immediate future and restoring our national soul.
