By T F Lanning

Travis Lanning, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Tenebrous Yearning is a variety of poetry written over several years in chronological order, exploring much inspiration throughout my life; a great collection which grew with me. Finding solace, exploring love, and unrequited love, yearning, dreams, cryptic poems, fantasy, longing, wisdom, truth, darkness, poignant reverie, and more. I treasure these poems as if they were my own children, and they are. And at last, after 17 long years, they can finally be shared with the world. I m sure you ll find something in these pages I poured my soul into over the long years past perhaps inspiring, poignant, heartfelt, or touching to you.
