New World Library. Paperback. Condition: New. 256 pages. Dimensions: 1.1in. x 0.0in. x 1.1in. Have you ever stopped to consider what special, unique qualities you have to offer the world what it is that comes naturally to you and through you? The final step in the Human Design system, 192 variations of Life Themes reveal to us the intended storyline of our lives, and we each have one of these Themes guiding our journey from our first to last breath. Just like the storyline of a book, or the theme music to a movie, there is a unique, consistent and recognizable undercurrent to your whole lifetime. It is your song, your part in the symphony of life, and only you can play it. Knowing and accepting your particular Life Theme is truly transformative. Embodying this awareness gives you reassurance and clarification about your life purpose. It is like when the penny drops, or the light bulb goes on, and you just get it. You will no longer have to deal with misplaced expectations held over you by others, nor will you have to wonder why someone else is being moved to live in completely different ways than yourself, because you will understand the secret essence of what quietly moves you through life, and how to reach directly into the source of your own fulfillment. Like the coding in your genetics, your Life Theme is something that resonates within your whole being, on physical, mental, emotional and spiritual levels. When you attune your awareness to your Life Theme, you will find it completely natural to embrace. You will finally understand your life's purpose and journey, and once you know your own Life Theme you will be fascinated to learn the Themes of everyone in your life. This knowledge expands your appreciation beyond your...
