Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Details in Trading like Wall \$Treet instead of Main Street tell how the beginning retail investor and trader can stack the odds in their favor by knowing how to think and trade like a Wall Street bank and institution. There is no hiding in the live market and it will expose every flaw you have as a human being. The professionals in the live markets are in the business of making money with money and will walk over the smoking wreckage of your blown out account to get paid. It s just business! Are you going to let that happen? If you re new and just starting out, I suggest you make this the first investing and trading book you read versus the tenth. You can save yourself a whole lot of time and hard earned money by learning what the smart money does and how they exploit the sheeple of the herd main street retail investor and trader every day in the live markets. The only way to get paid by the market for the retail trader is to get the right information from the very first day you begin your journey into the business of making money with money. It is completely up to you as too how you prepare yourself to work in the live markets against the best traders and machines in the world. Will you? The financial market is the only place that you can make an unlimited amount of money any time you want day or night from any place you are in the world there is WI-FI. It is sort of like a big ATM machine. Open 24 hours and gives you money...
