Taylor & Francis Ltd. Hardback. Condition: new. BRAND NEW, Personal Carbon Trading, Yael Parag, Tina Fawcett, Personal carbon trading is rapidly moving up the political agenda as recognition grows of its potential to address urgent issues of climate change and natural resource use. Under personal carbon trading schemes a carbon allowance would be allocated to each individual, to be used and traded in the same way as in national and international carbon trading schemes. This volume presents the latest research on personal carbon trading at different scales - from the effects on the individual, communities and organisations, to its place in national, EU (including the EU ETS) and global policy landscapes. It presents key research on the economic and policy barriers and implications, and will be essential reading for anyone involved in emissions trading research or policymaking.
