CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 278 pages. Dimensions: 10.0in. x 8.0in. x 0.7in. Due to some changing circumstances, I am changing quite a number of things in my approach for getting this game out to the public. I will be shutting down the P. O. Box mentioned in this book, and www.tinesandbarbs.com is the new website for the game. A lot of other stuff is happening, so I am working on an extensive revision to this book. The game itself is not changing (except the Bowtie Marcher version on pages 207-8 a little bit). I am very pleased with all that is going on now, so I need a new definitive book!! The back of the book states that this book is a search for a better board game, and this search culminates in the game of Tines and Barbs. This book has a supporting website www.tinesandbarbs.yolasite.com for players to use. A free one year membership to this site comes with the book as well as your first five submissions to the site to add to the lore of the game. Tines and Barbs is a board game superior to chess. It has the additional abilities of the pieces to rotate, fire shots, and shield squares from other shots or movement of pieces past them. Injured pieces can heal, and shields can be broken restoring pieces and squares to full use. The rotating action allows pieces to access other directions in which to perform their necessary deeds. In order to accomplish these many functions, a turn scale is implemented. Each operation is assigned a certain number of points, and a turn is spent by performing operations on one or more pieces or squares until the turn allotment is...
