Word Alive Press, United States, 2011. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.How would you live if you knew you had only a short time left? You would likely do the things you've always dreamed of doing, spend time with the people you love, let go of petty grievances, and make the most of every moment. This book challenges you by asking, Why are you not living that way right now? In addition to fostering personal growth, you will be inspired by the lives of others who have lived terminal lives, and be equipped with practical illustrations on how you, too, can live a life beyond limits. Terminal Living inspires us to invest our time and energy in endeavors that matter - now! Many of us have dreams and good intentions, but we postpone taking action until it is too late. Sandy challenges us to choose to live each day bravely and purposefully by pursuing personal growth, investing in others and leaving a legacy for the next generation. She inspires all of us to become everyday heroes by facing our fears and living for something greater than ourselves. I highly recommend Terminal Living to anyone who desires a more purposeful life. - Judy Rushfeldt, Award-winning author, speaker and online magazine publisher About the Author: Dr. Sandy Madden is a popular keynote speaker for various conferences and seminars and has travelled extensively doing humanitarian work in developing nations around the world.
