Orion Publishing Co, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. A young Victorian couple are pulled into a mystery that transcends time and space. A mystery that will have very familiar elements for any fan of HG Wells but which cannot possibly be related to the work of the great man. Or can it? This early novel from Christopher Priest is at once a wonderful facsimile of late Victorian writing and an enticing modern novel that plays with the reader's expectations and comments on two of the greatest novels of science fiction.
