

Trust (Paperback)

By Jack London

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This story takes place during the Alaska gold rush as do so many of London s stories. It s a tale of adventure and struggle as one man seeks to fulfill an obligation to his friend. All lines had been cast off, and the Seattle No. 4 was pulling slowly out from the shore. Her decks were piled high with freight and baggage, and swarmed with a heterogeneous company of Indians, dogs, and dog-mushers, prospectors, traders, and homeward-bound gold-seekers. A goodly portion of Dawson was lined up on the bank, saying good-bye. As the gang-plank came in and the steamer nosed into the stream, the clamour of farewell became deafening. Also, in that eleventh moment, everybody began to remember final farewell messages and to shout them back and forth across the widening stretch of water. Louis Bondell, curling his yellow moustache with one hand and languidly waving the other hand to his friends on shore, suddenly remembered something and sprang to the rail.
