Taylor Francis Ltd, United Kingdom, 2016. Paperback. Condition: New. 4th Revised edition. Language: English . Brand New Book. ISO 9001: 2015 In Brief provides an introduction to quality management systems for students, newcomers and busy executives, with a user friendly, simplified explanation of the history, the requirements and benefits of the new standard. This short, easy-to-understand reference tool also helps organisations to quickly set up an ISO 9001:2015 compliant Quality Management System for themselves at minimal expense and without high consultancy fees. Now in its fourth edition, ISO 9001:2015 In Brief consists of a number of chapters covering topics like: * What is Quality? - An introduction to the requirements and benefits of quality, quality control and quality assurance * What is a QMS? - The structure of a Quality Management System and associated responsibilities. * Who produces Quality Standards? - An opportunity to see how interlinked the various Standards Bodies are today. * What is ISO 9001:2015? - The background to this particular standard, how it has grown and developed over the years and what Annex SL is all about. * What other standards are based on ISO 9001:2015? - Details of other standards that replicate or are broadly based on ISO 9001:2015. * What to do once your QMS is established - Process improvement tools, internal auditing and the road to ISO 9001:2015 certification. This is supported by: Annex A - A summary of the requirements of ISO 9001:2015 - including an overview of the content of the various clauses and sub clauses, the likely documentation required and how these would affect an organization. A cross-reference to the previous ISO 9001:2008 Clauses is also provided as well as a complete bibliography and glossary.
