IT S NOT ABOUT US: THE SECRET TO TRANSFORMING THE MENTAL HEALTH AND ADDICTION SYSTEM IN CANADA (PAPERBACK)

Cathydia Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It s Not About Us is a guide to improving the client experience with the mental health and addiction system across Canada. What has not yet happened is the one fundamental thing that is required. We need to change the perspective used to design all components of the system. We need to replace our traditional model that is designed from an expert and management-focused viewpoint, and start to look at the system the way clients and the public see and experience it. If you or a loved one have been affected by addiction and mental health issues, and...
