Brand New Book ***** Print on Demand *****.Excerpt from The Cook County Jail Survey: Made on Request of the Board of County Commissioners The complete report of the Cook County Jail Survey is a lengthy document, by no means uninteresting, even for the average reader, but requiring more time than the person busy with other matters may feel he or she can give it. There has been demand for a briefer statement of the results of the survey, a demand which this Summary will attempt to satisfy. There is no pretense that the material here presented is original. The writer has culled freely from the entire report, taking sentences or parts of sentences, as best seemed to suit the purpose in view, without attempt to indicate quotations unless this also seemed to suit the purpose. The material of the report has been often rearranged and of course very much condensed in order to present in a brief document a fair review of facts and conclusions which in the original statements required many pages. For the order in which the matter is here presented and for the fairness of the review the writer must accept full responsibility.
