STRATEGIC SPIRITUAL WARFARE (PAPERBACK)

Maurice Wylie Media, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Dr. Robert Ballard's book, Strategic Spiritual Warfare, will take you on a journey to discover the answer to the questions, What is true spiritual warfare? Does fasting mean just an absence of food, or is there more to it? He reveals how to combine music and song in spiritual warfare, how to create an effective prayer group, how to understand the different weapons of prayer we have in our spiritual armoury, and so much more! In today's world, time and lack of education in prayer has hindered the saints in becoming the effective vessels that God has called them to be. The daily busyness and distractions of the 21st Century on our schedules, can make us think that there are fewer hours in a day, less time in our lives. Education based on experience aligned with the Word of God is nearly non-existent. Strategic Spiritual Warfare reveals key insights on how to develop a prayer life of appointments with time through experience, while exploring a subject many find fearful, don't have time for or no true understanding of. Go from saying prayers to being prayer that attains results, as you read Strategic Spiritual Warfare!
