### **Reviews**

*Totally one of the better pdf I actually have at any time go through. It is loaded with knowledge and wisdom You can expect to like just how the author write this book.*

*(Mr. Grover Kuphal PhD)*

## BON VOYAGE

Createspace. Paperback. Condition: New. This item is printed on demand. 158 pages. Dimensions: 8.0in. x 5.0in. x 0.4in. A collection of extracts from the books of the popular travel writer on France Susie Kelly. In *Travels With Tinkerbelle*, 6, 000 Miles Around France In *A Mechanical Wreck* the author and her husband devised a simple plan to take a tent and the dog and drive around the perimeter of France. Like many simple plans it went wrong before it started. . . In *Best Foot Forward*, A 500 Mile Walk Through Hidden France, Susie walks solo from La Rochelle to Lake Geneva with a tent on her back whilst her Texan friend Jennifer struggles by on her first ever trip to France, looking after Susies smallholding and caring for a menagerie of animals. In *The Valley Of Heaven and Hell - Cycling In The Shadow of Marie Antoinette*, novice cyclist Susie dons unflattering lycra to cycle the little-known Marne Valley and Champagne regions of France. She takes the identical route taken by Marie-Antoinette and Louis XVI when they tried to escape from the Revolution, and their journey back to their executions. In *Swallows and Robins*, *The Guests In My Garden*, Susie stays at home for a change. As the worlds worst housekeeper, running holiday homes wasnt, with hindsight, a sensible idea. But two collapsing buildings on her land would cost more to demolish than to restore. Thus she became a seasonal landlady and, along with the assorted guests, came Ivy into her life, *The Cleaning Lady From Hell*. In her memoir, *I Wish I Could Say I Was Sorry*. . . , the setting moves away from French travel to a childhood in 1950s60s Africa. With uncompromising honesty and hints of her usual humour, Susie describes emigrating, from post-war London in...
