THE LIGHT OF LIFE: THE MASTERY OF DEATH (CLASSIC REPRINT) (PAPERBACK)**DOWNLOAD**

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Light of Life: The Mastery of Death A few pessimists of the present proclaim that the age of darkness is by no means at an end, and some are wont to predict even a darker age to follow, but the consciousness Of the optimistic majority is awakening responsive to the Dawn that is surely breaking over the world, repudiating such pessi mistic prognostications as reactionary and retrogressive. We have but to take the mental and moral conditions of two hundred, or even a hundred, years ago and compare them with the conditions of today to become conscious of this wonderful illumination and its many revelations. And what is this New Light that is thus suffusing the earth, work ing all these wondrous changes, and transforming the world and its ways? It is the same Light that shone in the darkness of the past, but which the shadowed mind Of man was unable then to perceive, or to utilize. Materially speaking, it is corporeal sunlight the light of the sun that for all ages since the beginning of terrestrial time has been shed upon the earth.
