

Brain, Mind, Soul, and Spirit: The Interface Between Science and Scripture (Hardback)

By Ph D Mack E Crayton III

Dorrance Publishing Co., 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. As both a Christian and a scientist, two entities that many consider to be opposite of one another, Mack E. Crayton III, Ph.D. explores the often-overlooked convergence between the science of the mind and the truths of the spirit. Inspired by his work in Genetics research, Dr. Crayton wrote Brain, Mind, Soul, and Spirit for three powerful reasons. He wants to prove that Biological science and Biblical Scriptures support each other much more than they contradict each other. He wants to provide a straightforward science reference book for the clergy that can be used to prepare sermons and lessons. Finally, he wants to pair Biblical Scripture with scientific data to ask whether modern and alternative interpretations of Scripture are warranted. Many historical interpretations of Biblical Scripture have left people feeling marginalized when it comes to matters of the brain and mind as they relate to mental illness; determining when human life begins or ends; understanding our spirituality and sexualities; and the inherent powers of the human mind. This religious marginalization has caused millions of people to live unfulfilled lives, life without love,...
