Reviews

Great e book and helpful one. It really is written in straightforward terms and not hard to understand. You can expect to like how the blogger writes this book.
(Hudson Christiansen)

THE VERB TO BIRD: SIGHTINGS OF AN AVID BIRDER (HARDBACK)

Paul Dry Books, Inc, United States, 2003. Hardback. Condition: New. Paul Dry Books.. Language: English . Brand New Book. [A] delightfully literary and eclectic memoir about the manifold joys of birding. Cashwell is a storyteller. A very literate, observant, insightful storyteller. --The Bloomsbury Review Reading this book was the next best thing to wandering in the woods with Peter Cashwell hoping to add a rufous-capped warbler to my life list. No, it was better--I could laugh out loud in delight as I turned the pages without fear of scaring the birds. --Katharine Weber, author of The Music Lesson An entertaining and witty meditation on birding. --Library Journal All around the world, birds are the subject of intense, even spiritual, fascination, but relatively few people see the word bird as a verb. Peter Cashwell is one who does, and with good reason: He birds (because he can't help it), and he teaches grammar (because he's paid to). An English teacher by profession and an avid birder by inner calling, Cashwell has written a whimsical and critical book about his many obsessions--birds, birders, language, literature, parenting, pop culture, and the human race. Cashwell lovingly but irreverently explores the practice of birding, from choosing a field guide to luring vultures out of shrubbery, and gives his own eclectic travelogue of some of the nation's finest bird habitats. Part memoir, part natural history, part apology, The Verb To Bird will enlighten and entertain anyone who's ever wandered around wet fields at the crack of dawn with dog-eared field guides crushed against the granola bars in their pockets. But you don't have to know the field marks of an indigo bunting to appreciate Cashwell's experiences with non-lending libraries, venomous insects, sports marketing, and animated Christmas specials. Birders as well as...
