

The Mammoth Book of Futuristic Romance (Paperback)

Filesize: 4 MB

Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Juliet Mertz)

THE MAMMOTH BOOK OF FUTURISTIC ROMANCE (PAPERBACK)

Little, Brown Book Group, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. Love will find a way - 19 fantastic future-set romances. The good news is, in the future there will be no shortage of romance. On space ships, on newly-colonized planets or on a barely recognizable Earth, life forms, whether human, alien or something in between, will find their way to love. As giant corporations grasp new opportunities for profit and future armies clash, both in deep space and dirtside, former romantic partners try to put the past behind them and time-travelling rebels set out to romance the past. These science fiction stories of future love and lust - by Marcella Burnard, Bianca d Arc, Jess Granger, Linnea Sinclair, C. L. Wilson and many more - are brimming with passion and humour. So, even though in space no one can hear you scream, they might just be able to hear you laugh.
