Excerpt from 89 Annual Report, Division of Cancer, Biology and Diagnosis: Intramural Activities, October 1, 1988-September 31, 1989 The mission of the Division of Cancer Biology and Diagnosis is to support laboratory and clinical investigations in cancer biology, immunology, and diagnosis. The division consists of an extramural research program and an intramural research program. The Extramural Research Program administers a large research program comprised primarily of investigator-initiated grants. Three major areas of cancer research are addressed: tumor biology, immunology, and cancer diagnosis. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
