CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 58 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. The animals in this story are humanoid cats with long prehensile tails. They have humanlike hands with retractable claws, and are the same size as a tiger. The cats come in different colors, such as black and white or calico. Their saliva has the ability to heal any minor injury, that they might receive. They are mostly a peaceful people, unless they, their mates and friends are threatened or injured in some way. Then they will choose to show the predatory side of their nature. Beth and Lisa lived with their parents on the space station, Silver Flag. Silver Flag was a small space station, with a crew of 100 people. Beth was fifteen years old, with black hair and blue eyes, while Lisa was three years old, with blond hair and brown eyes. Beth and Lisas mother was a docter, while their father was in charge of Silver Flag. Beth and Lisa spent most of their time on the promenade, watching the passengers as they wandered from one shop to the next. They did not know that a passenger on the spaceship, Star Fire, which had just docked at the space station, had contracted a highly contagious disease, when she visited a planet in the next solar system. The doctor aboard Star Fire had tried to contain the disease, by confining the woman to her cabin as soon as the woman started showing the symtoms of the disease, but by then it had spread all over the ship. The captain of Star Fire docked at Silver Flag, in the hopes that the doctor on Silver Flag would be able to find a viable cure. The second spaceship...
