THE INGENIOUS GENTLEMAN AND POET FEDERICO GARCIA LORCA ASCENDS TO HELL (PAPERBACK)

Yale University Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. A modern Spanish masterpiece by one of the most extraordinary novelists of our time In Carlos Rojas s imaginative novel, the Spanish poet Federico Garcia Lorca, murdered by Francoist rebels in August 1936, finds himself in an inferno that somehow resembles Breughel s Tower of Babel. He sits alone in a small theater in this private hell, viewing scenes from his own life performed over and over and over. Unexpectedly, two doppelgangers appear, one a middle-aged Lorca, the other an irascible octogenarian self, and the poet faces a nightmarish confusion of alternative identities and destinies. Carlos Rojas uses a fantastic premise-Garcia Lorca in hell-to reexamine the poet s life and speculate on alternatives to his tragic end. Rojas creates with a surrealist s eye and a moral philosopher s mind. He conjures a profoundly original world, and in so doing earns a place among such international peers as Gabriel Garcia Marquez, Philip Roth, J. M. Coetzee, and Jose Saramago.
