ALTERNATE REALITY GAME

Alphascript Publishing Nov 2009, 2009. Taschenbuch. Condition: Neu. Neuware - An alternate reality game (ARG), is an interactive narrative that uses the real world as a platform, often involving multiple media and game elements, to tell a story that may be affected by participants' ideas or actions. The form is defined by intense player involvement with a story that takes place in real-time and evolves according to participants' responses, and characters that are actively controlled by the game's designers, as...
