Reviews

This book is fantastic. It is really simplistic but surprises inside the 50 percent of the publication. I am just happy to inform you that here is the very best publication i have read through inside my individual life and can be he greatest book for actually.
(Everette Luettgen)

SAILING THROUGH CASSIOPEIA

Copper Canyon Press. Paperback. Book Condition: New. Paperback. 103 pages. Dimensions: 8.9in. x 5.9in. x 0.2in. Dan Gerber is one of our finest living poets. Annie Dillard The poems in Dan Gerber's latest collection, *Sailing through Cassiopeia*, exist in a lyrical remove from time. Via delicious imagery, masterful pacing, and long-sanded language, Gerber maintains a continual curiosity and gentleness of spirit despite his keen awareness of the world's inevitable horrors. Orion As quiet and modest in their display as his poems sometimes seem, their agenda is bold. Gerber, the author of seven collections of poetry that from the beginning lovingly render physical detail, believes that something of great significance occurs when an object is rightly seen. Mindfulness, seeing things as they really are, both beauty and ugliness, informs the authentic life, and defines the aesthetic response to that life. Poetry East Where Gerber really starts to differentiate is in his approach: he frequently focuses with sustained intensity on something fairly ordinary or easily observed until it leads him to the unseen or not so easily discerned. He is really a metaphysical poet in physical garb. World Literature Today In *Sailing through Cassiopeia* Gerber's decades of apprenticeship are palpable in a book so stunningly so tenderly branching into the world even as it tunnels inward that it is difficult to put down. Rain Taxi Gerber has a gentle touch and an unaffected, articulate voice that can be smart, funny, wise sometimes all at the same time. Library Journal Dan Gerber's mastery of layered imagery and crystalline vision marry European Romanticism with American Zen. These meditative poems engage the natural landscape of California's oak savannas and memories of childhood, while calling upon an array of literary progenitors from Robinson Jeffers and Rainer Maria Rilke to the classics of the Chinese canon exploring what it means to be linguistically alive in an animal world. As...
