Pearson Education, Inc, 2003. Soft cover. Condition: New. No Jacket. n/a (illustrator). Although this is a used copy, I don't find the former owner's name in the front, nor any writing on the inside. There is slight shelf wear to the workbook, but otherwise in new condition. The workbook details the same information found in the textbook, but includes focus questions, essential concepts, chapter at a glance, guided review, in class activities, homework, objectives and a self quiz at the end of each chapter.
