THE OMEGA OPERATIVE (PAPERBACK)

SIMON SCHUSTER, United States, 2007. Paperback. Condition: New. Scott M. Fischer (illustrator). Language: English . Brand New Book ***** Print on Demand *****. The End? Someone trapped deep (and we do mean deep) inside Viper's organization is trying to contact Team Spy Gear but is having a devil of a time doing so. What this mystery caller doesn't know is that our kids are busy hanging around a creepy nest colony in Stoneship Woods and checking out a seemingly normal suburban house where odd things are happening, a house that must be spied on. What else can our team do? Their last message from the Omega Link - about someone in serious need of help - was ages ago. But the kids had better save their energy, because they're about to tackle a booby-trapped backyard obstacle course right out of a videogame designer's worst nightmare and face a final showdown with the vile Wolf Pack. That ought to keep them busy until they can get some intel on the Agency, the Dark Man, the Gloved Agent, Marco, Mr. Latimer, Barbie Bickle, Dr. Tim, and those awesome black helicopters. All in a day's work, my friends, all in a day's work.
