Genius Under Construction

By Marilee Haynes

Pauline Books & Media. Paperback. Condition: New. Dimensions: 7.7in. x 5.2in. x 0.5in. Gabe Carpenter-St. Jude Academy's resident genius is back for his final year of middle school. Some things have certainly changed from last year: his locker-wont-open days seem to be over, his rolling backpack has been replaced by his grandpa's briefcase, he's now the basketball team's official analyst, and he, along with all of the other eighth graders, are allowed to sit on The Rock. Other things have stayed exactly the same: Gabe has yet to figure out girls (especially his second best friend and crush, Maya), he's still in that class for gifted students, and his embarrassing bodily functions continue to well, embarrass him. On the cusp of graduation, this eighth grade status brings some inescapable realities. Gabe, along with all of the other graduating students, must complete fifteen hours of community service. Thinking his talents would be best used in service to others academically, he picks tutoring. But when he finds out he will be working with a student who has a learning disability, things become a bit more complicated than expected. At home, an envelope with an unfilled application to Carolina Science and Math High School is...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
